

LIMENTE LED-ZIRCON

aluminium |

Product code: 681385

Thin conceateable light profile

LIMENTE Led-Zircon-profile light has a sleek design and is easy and swift to install. It is installed in a row with integrated connectors, which have equally spaced light points. By using matte finish goggles you can prevent seeing the bright led-dots from showing on the lights.

The dots distances from each other have been measured to give a good working light. LIMENTE Led-Zircon is designed for kitchen spaces, bookshelves etc. to give off a smooth and pleasant shade of light.

Power input cable

3 m long cable that has a connector suitable for the transformer on the one end and a connector suitable for a LED-Zircon in the other. In case Led-Zircon ON/OFF -switch is used a power supply cable is not needed.
